

2010 OKC Joint Engineering Societies Banquet

Gas Shales: An Energy Revolution

The speaker at the 2010 OKC Joint Engineering Societies Banquet will be Keith Yankowsky, Director of Engineering Technology for Chesapeake Energy Corporation. Keith has more than 23 years of industry experience with a focus on Drilling and Completion operations. Over the past 15 years of his career, Keith has focused on unconventional reservoir drilling and completion methodology and technology development. Keith holds a BS in Petroleum Engineering from Marietta College.
